United to Achieve

Today's gala is the fourth named in memory of Kay Clarke. Kay was a Bedworth Disabled Swimming Club Committee member and was very involved with the club for over 30 years, until she sadly passed away in June 2012 from cancer. She is very much missed by everyone at the club and the gala is in honour of all of Kay's hard work. Kay would have been very proud to have the gala named after her and even prouder of everyone who is involved and taking part.

A very warm welcome to all the swimmers from:

Unfortunately Bingham Penguins and Solihull have withdrawn because of the change of date.

The Structure of the Gala

Classification

Briefly, swimmers have been classified by their clubs as

Group A Disability that does not affect swimming strokes

Group B Disability that does affect swimming strokes, but can participate with minimum assistance

Group C Very severe disability (carers allowed in the water)

Juniors have been split into boys / girls as there were as many entries as the other classes.

Seeding

Swimmers have been seeded to give a competitive swim. There are no finals and so swimmers in races with heats should be aware that medals are awarded on a time basis. There are gold, silver and bronze medals for each race number and class. All heats will be "spearheaded" where the fastest are placed in lanes in the following order; 3,4,2,5,1,6 unless the hoist is required.

Strokes

Front: Any stroke on the front (i.e. backstroke is not allowed - it is not a freestyle race).

Back : Any stroke on the back. Please remind swimmers to stay on their backs until the very end of the race.

Relays

Junior mixed teams must have at least one female. Adult females may swim as males but not vice-versa. Juniors may swim as seniors but not vice-versa. Please keep to the entry criteria. One relay swim per swimmer. Non-competitive teams (ie mixed club) are welcome in order to allow participation but will not qualify for medals. Please make sure that you declare non-competitive teams.

Lanes

All individual starts for Group 'A' races are in the water at the deep end of the pool. All Group 'B' and 'C' races plus the relay starts are in the water at the shallow end of the pool.
