Congratulations to every one of our team of 12 twelve swimmers. As well as being our best result ever in collecting 32 medals (16 gold, 7 silver and 9 bronze) there were 18 personal best times. It was really excellent to be competitive in the relays for the first time – even the raft race! Thank you to everyone who supported the team and Gurvinder's family for helping with transport. There are certificates from the organisers for all competitors and photographs will be uploaded to the website in due course.
