

PROUDLY SPONSORED BY

Down Syndrome Swimming Great Britain (DSS-GB), is a volunteer led charity enabling children, young adults and adults with T21 or Mosaic Down syndrome to reach their potential as elite swimmers, giving them the opportunity to compete at national and international level.

DSS-GB aims to be the leading voice for aspiring swimmers with Down syndrome who wish to compete at national and International level. Part of our remit is to be the force in identifying future swimming talent amongst those with Down syndrome within Great Britain.

On behalf of Down Syndrome Swimming Great Britain (DSS-GB), we are delighted to invite you as an individual or a club to attend the Second British Down Syndrome Swimming Championships taking place on **18th and 19th November 2023** at K2 Leisure Centre, Crawley.

This event is open to all British swimmers with Down Syndrome, and swimmers of all abilities are encouraged to enter. Novice to Elite, 25m to 1500m. All strokes and distances. Age 10 and above.

We are excited to announce that Entry Packs are now available should any of your swimmers, or swimmers that you may know, wish to take part in what we believe will be as successful as last year's champs and will become a permanent fixture on your swimmer's calendar.

Please follow this link to gain access to all the relevant information:

<https://www.dss-gb.org/sign-up/>

All swimmers will need to be supported poolside – poolside passes can be applied for on the online entry system.

We are also looking for volunteers to support us on the day and should this be of interest, you will find volunteer packs on the link above.

These Championships would not be possible without the incredible support and sponsorship of Powerday Foundation and Keltbray and a number of other generous sponsors.

If you have any questions, please do not hesitate to contact us on this email.

Looking forward to seeing you at the Champs.

Regards
