NUNEATON 136

Today's gala is the ninth named in memory of Kay Clarke. Kay was a Bedworth Disabled Swimming Club Committee member and was very involved with the club for over 30 years, until she sadly passed away in June 2012 from cancer. She is very much missed by everyone at the club and the gala is in honour of all of Kay's hard work. Kay would have been very proud to have the gala named after her and even prouder of everyone who is involved and taking part.

A very warm welcome to all the swimmers from:

Birmingham Marlins Swimming Club  
 Dudley Olympics  
 Leamington Dolphins  
 Bedworth Disabled Swimming Club

## The Structure of the Gala

### Classification

Briefly, swimmers have been classified by their clubs as

Group A Disability that does not greatly affect swimming strokes

Group B Disability that severely affects swimming strokes

Group C Very severe disability (carers allowed in the water)

Group D Unclassified swimmers / helpers where space allows (for times only).

### Seeding

Swimmers have been seeded to give a competitive swim. There are no finals and so swimmers in races with more than 6 competitors will swim in (I) and (II), and possibly (III) races. There are gold, silver and bronze medals for each race. Hoist users will be allocated lane 6.

### Strokes

Front: Any stroke on the front (i.e. backstroke is not allowed - it is not a freestyle race).

Back : Any stroke on the back. Please remind swimmers to stay on their backs until the very end of the race.

Butterfly: As ASA rules with allowance for disability. Please note this is an open race (i.e. separate male and female medals if 6 or more swimmers).

There will be no recalls. Any swimmer starting early will be repositioned.

### Relays

Junior / Youth and Senior/Masters teams should include at least one female swimmer. Juniors and Youths may swim as seniors to complete teams but not vice-versa. The Nuneaton Round Table clubs Relay is any four swimmers (one team per club). Please keep to the entry criteria. **One relay swim per swimmer, not including the NRT Relay**. Non-competitive teams (ie all male, mixed club or multiple legs of the same race) are welcome if there are lanes available in order to allow participation but will not qualify for medals or records. Please make sure that you declare non-competitive teams.

### Lanes

**Please send your swimmers to the start in good time.**

All individual starts for Group 'A' races are in the water at the deep end of the pool. All Group 'B' and 'C' races plus the relay starts are in the water at the shallow end of the pool. The pool is deck level and there are no rails at the ends. Please bear this in mind when putting your relay teams in order.
