ACTIVE
Feel better for it

Today's gala is the tenth named in memory of Kay Clarke. Kay was a Bedworth Disabled Swimming Club Committee member and was very involved with the club for over 30 years, until she sadly passed away in June 2012 from cancer.

Her daughter, Marie, took over as club treasurer and is here today presenting some of the medals.

Her son Alec is helping us as a time-keeper today.

A very warm welcome to all the swimmers from:

The Structure of the Gala

Classification

Briefly, swimmers have been classified by their clubs as

Group A Disability that does not greatly affect swimming strokes

Group B Disability that severely affects swimming strokes

Group C Very severe disability (carers allowed in the water)

Group D Unclassified swimmers / helpers where space allows (for times only).

Seeding

Swimmers have been seeded to give a competitive swim. There are no finals and so swimmers may swim in A and B and possibly C races. There are gold, silver and bronze medals for each race. Pod users will be allocated lane 8. Medals will be awarded immediately after each race.

Strokes

Front: Any stroke on the front (i.e. backstroke is not allowed - it is not a freestyle race).

Back : Any stroke on the back. Please remind swimmers to stay on their backs until the very end of the race.

Butterfly: As ASA rules but with allowance for disability and beginners.
This is an open race (i.e. separate male and female medals only).

There will be no recalls. Any swimmer starting early will be repositioned.

Relays

Junior / Youth and Senior/Masters teams should include at least one female swimmer. Juniors and Youths may swim as seniors to complete teams but not vice-versa. The Nuneaton Round Table clubs Relay is any four swimmers (one team per club). Please keep to the entry criteria. **One relay swim per swimmer, not including the Nuneaton Round Table Relay).** Non-competitive teams (ie all male, mixed club or multiple legs of the same race) are welcome if there are lanes available in order to allow participation but will not qualify for medals or records. Please make sure that you declare non-competitive teams.

Lanes

Please send your swimmers to the start in good time (2 races early).

All individual starts for Group 'A' races are in the water at the deep end of the pool. All Group 'B' and 'C' races plus the relay starts are in the water at the shallow end of the pool. The pool is deck level and there are no rails at the ends. Please bear this in mind when putting your relay teams in order.
