Event report

Thank you all for coming. We hope that you enjoyed the gala and collected many personal best times.

The new pool was quite a test, but better for the swimmers we think. Thank you so much to all the teams for sending your swimmers to their starts promptly. That makes a huge difference.

Coinciding with the end of half term, some swimmers were unavailable but we could have accommodated just a few more. More swimmers means better seeding within the groups and more equal competition.

Congratulations to Birmingham Marlins who retain The Nuneaton Round Table Trophy and also set a new record.

There was one mistake in the medal allocation. In Race 27A Colin Li was awarded the bronze medal when it should have been given to Alex Wheatley. I am sorry, Alex - I will post it.

We hope that you will let us know if anything could be improved, within our power to act on it.

We do hope that you will join us next year if I am able to secure funding towards the cost of pool hire and medals.
